

Activities and games with round faces

1. Put same pictures together

One board and single pictures.

Learners have to match the single pictures with the ones on the board.

Learners have to identify the feeling expressed on each picture.

2. Memory game

Find two same pictures

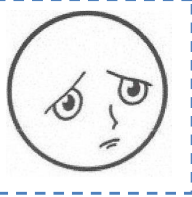

Single pictures (twice the set of pictures).

When picking up two same pictures, the learners have to identify the feeling expressed on each picture and to imagine in which situation the person could be.

3. Identity card

Give learner 1 card and 1 form to fill in. They have to create the identity of the person and to explain why the person has got that special expression on his/her face.

Example:

Identity Card	
	NAME: Solvenik
	CHRISTIAN NAME: Edgar
	BORN: 12.8.1985 in Reykjavik/Iceland
	NATIONALITY: Icelander
CIVIL STATUS: married	
PROFESSION: painter	
<p>Edgar Solvenik is looking worried because his best friend had to leave the country as he lost his job. Edgar is afraid to lose his job, too. He is reflecting to go to Canada and work there but he is not sure that his wife would like to leave Iceland.</p>
