

**Feelings in Color Activity Sheet**

**DEAR FAMILY:** Your child has been studying the differences between the art of Jackson Pollock and Mark Rothko. Ask them to describe the two very different painting styles and how they have compared them to other aspects of the world, such as music, weather, feelings, and even hairstyles.

**Help them to classify some of the things in and around your home. Check the column that best describes the following:**

	More like Pollock	More like Rothko	In between
The inside of our medicine cabinet is	_____	_____	_____
Under my bed is	_____	_____	_____
Our garden or yard is	_____	_____	_____
Our family's morning routine is	_____	_____	_____
My clothes drawer is	_____	_____	_____
Our living room furniture arrangement is	_____	_____	_____
Our kitchen walls look	_____	_____	_____

**Now what about your family?** How many people live in your home?

Think of each person's personality, style of dress, and behavior, and decide which painting each person is most like. Make a chart like the one below on the back of the sheet and put each member of the family into the category in which you think they fit best.

These people are most like  
Pollock's painting:

These people are most like  
Rothko's painting:
